General Information:

Monkey Business Camp offers unique opportunities for kids to explore Tilden Park, connect with old and new friends and caring teens and adults, and to participate in a variety of fun, engaging activities. Girls on the Go Camp, specifically designed to meet the emotional and developmental needs of girls ages 9 to 13, allows girls to explore their communities, play, bond, and learn in an adventure-packed program. Traveling by public transportation, girls learn how to access the diversity of their communities in a well-supervised program. It is our hope that everyone should be able to participate in our programs.
