Stacy Raye Memorial Scholarship Application 2017

General Information:

Monkey Business Camp offers unique summer programs, and you can visit our website for more details on them all. By now, you probably have already seen our offerings, as you have this application in hand because you want your child or a child you know to come.

This memorial fund was started in honor of Stacy Raye, a Founding Director of Monkey Business Camp and Girls on the Go Camp, who passed away from cancer in Feb, 2011. The fund is directed to help a child or children touched by cancer to attend any program for up to one month. Stacy was all about spreading joy in the world of children and we hope to honor her memory every year in this way. For more details about Stacy and to see photos, visit this link:

At the end of the scholarship recipient's time at camp, we will briefly interview the camper and family so that we can share a little about them with the fund's donors. Sample questions include "What did this scholarship mean to you?", "How has cancer affected your life?", and "What was your favorite part of camp?". We will do a small write-up using your answers, and post it with your first name, or your write up can be anonymous. You can see the write-ups from previous years at the same link above.

How to Apply:

1. Please complete attached form (all info is considered confidential)
2. Turn in completed applications to our office. Send by post or scan the application and documents and e-mail to us. *Do not stop into the office.* Applications must be received one month before the program start, unless there is still money available. Call the office if you are unsure.
3. We review applications at least once every 2 weeks, and will send notification regarding your award ASAP.
